### PHP Admin Panel License :

We are bundling our Administration Panel Module specifically customized for this template as a bonus, a tool to help you out in using the main focus of this package which is the actual flash template.

You may use this administration panel in conjunction with the flash template in as many projects as the license from the site you purchased from allows you (limited on some, unlimited on others).

You are not allowed to resell or use this administration panel with any other electronic data distribution method (including but not limited to another website, another flash file or application etc.).

Enjoy !
